

Senior Subsea / Installation Engineer

Frontier is a locally owned and operated company based in Paradise, Newfoundland, Canada, comprised of a team of skillful and problem-solving personnel experienced in the engineering, procurement, construction, installation, and operations support for the Energy Sector. With a strong work ethic, knowledge, and local experience, Frontier provides practical, expedient, and cost-effective solutions, delivered against a high standard of quality assurance and quality control.

We are currently seeking a Senior Subsea / Installation Engineer for an internal full-time position.

Duties:

Reporting to the Projects Execution Manager and working as a member of the engineering/execution teams, this position will be responsible for the following:

- Generation of detailed offshore execution procedures;
- Generation & management of project schedules & budgets;
- Facilitate project operational reviews and risk assessment sessions;
- Interface directly with client representatives;
- Provide direction and oversight of scopes for engineers, designers, technicians;
- Oversight & management of subcontractors;
- Oversight & execution of field based (onshore & offshore) operations;
- Design, planning and procurement of lifts, associated rigging and installation aids

Qualifications:

- Bachelor's degree in engineering;
- Registered professional engineer (P. Eng) with PEGNL, or eligible for registration;
- Valid offshore survival certificates for working offshore Newfoundland, Canada, including (BST, HUET, HUEBA, CAPP medical, H2S Alive, WHMIS);
- Effective knowledge of Microsoft 365 Office applications;
- Strong organizational & time management skills; the ability to multi-task and prioritize duties;
- Strong problem-solving skills

Experience:

- 5+ years' experience in offshore oil & gas industry;
- Experience in subsea / marine construction operations and WROV based operations;
- Experience working on offshore / subsea projects offshore Newfoundland, Canada;
- Familiar with use of industry codes and standards including DNV GL, API, ISO

Compensation:

Frontier offers a fast-paced and dynamic working environment with competitive salaries and industry-leading benefits.

If you are an energetic person interested in joining our team, please submit your application via e-mail to info@frontiernl.ca before **Friday, January 30th, 2026**, referencing **"Subsea Engineer"** in your email title. Frontier is an equal opportunity employer. We thank all applicants but will only be contacting those selected for an interview.
