

## CAD Designer

Frontier is a locally owned and operated company based in Paradise, Newfoundland, Canada, comprised of a team of skillful and problem-solving personnel experienced in the engineering, procurement, construction, installation, and operations support for the Energy Sector.

With a strong work ethic, knowledge, and local experience, Frontier provides practical, expedient, and cost-effective solutions, delivered against a high standard of quality assurance and quality control.

We are currently seeking a designer for an internal full-time position.

### Duties:

Reporting to the Engineering/Design Team Lead and working in conjunction with all design & engineering staff, this position will be responsible for the preparation of multi-discipline design concepts for both internal and external client review. Working along with designated project engineers; other duties will include, but are not limited to, the preparation of 3D models and their corresponding 2D design drawings for various multi-discipline projects, the review of co-worker documents prior to their issue and carrying out field surveys at various fabricator/client locations.

### Qualifications / Experience:

- College diploma in Engineering Technology or equivalent
- 2D and/or 3D design and modeling (ie. AutoCad, SolidWorks)
- 5+ years relevant experience in structural/civil or mechanical/piping design
- Effective knowledge of Microsoft 365 Office applications
- Strong organizational and problem-solving skills

Candidate should have some work experience in structural, mechanical, or piping design in a team-based environment and must have strong proficiency with AutoCad and SolidWorks. Preference will be given to candidates with experience in structural steel design, lifting methods and marine operations. Experience in the oil and gas or construction industry is preferred. Strong organizational and time management skills with the ability to multi-task and prioritize duties are required.

### Compensation:

Frontier offers a fast-paced and dynamic working environment with competitive salaries and industry-leading benefits.

If you are an energetic person interested in joining our team, please submit your application via e-mail to [info@frontiernl.ca](mailto:info@frontiernl.ca) before **Friday, January 30<sup>th</sup>, 2026**, referencing “**CAD Designer**” in your email title. Frontier is an equal opportunity employer. We thank all applicants but will only be contacting those selected for an interview.
